

TECHNICAL SALES

ENSIL[®] is an Electronics Engineering company serving the Defence, Aerospace, Medical, Telecommunications and Industrial / Robotics industries.

As part of Ensil's worldwide marketing strategy, Senior Account Managers are invited to join Ensil's sales team in developing markets primarily in Canada and USA.

The objective would be to market and promote Ensil's engineering solutions in the areas of Repair, Rework, Test, Inspection, Manufacturing, Research and Development of Electronic Printed Circuit Boards and product development from concept to manufacturing and final test.

If you have developed and managed national accounts relevant to Ensil's services and products for a minimum of five years and enjoy working in a fast-paced, fast growth entrepreneurial company, then **ENSIL**[®] invites you to apply for this position.

Please send your resume to: hr@ensil.com
